

Guest Lecture on “Impact of Screen Dependency on Students ”

A guest lecture was organized by F. Y. B. Tech. Department on the topic “**Impact of Screen Dependency on Students** ” for First Year B. Tech. students on 22 April, 2026.

The session was delivered by Mrs. Sneha R. Pendhe-Jakate, a Physiologist, who provided valuable insights into the physical and psychological effects of excessive screen usage among students. She also guided students on maintaining a healthy balance between digital and real-life activities. The lecture proved to be informative and beneficial for all the students.
